

Wonder how you can help Florida's bees, birds, butterflies, and everything in between?

Schedule a

## Native Garden Consultation

We'll walk you through a five step process to transform your home into a habitat and achieve the NWF Wildlife Habitat certification.

This 60 minute session includes 30+ pages of printed guides, a follow up customized garden plan, and all the questions you can think of.

**Offering 10% off to Oldsmar residents for all of 2021!**
